

# GOLD COAST MALIBU CLUB

**Newsletter 02  
February 2008**

**Next Club Round:** The next club round will be on the 17<sup>th</sup> FEBRUARY. Meeting at the Kirra Pizza Hut at 6:00 am QLD time. Oh and it will be on so bring your game day face because this year a sheep station is definantly up for grabs (yet to be confirmed) ! A new year of club competition full of hope and uncertainty, I hope this year's club calendar brings you fame and fortune like all of our previous winners? February's round will have the normal 9ft open round as well as anything else Neil decides to put in the water so you have been warned. P.S - Don't be late, upsetting the contest director is a very fool hardy thing to do especially this early in the year.

**OTHER NEWS:** An update on the Mal Leckie painting you are all feverishly selling tickets for. I have succeeded at getting the printed copy of the photo from the scanner to my computer without cracking the absolute s.ts . It took several tries to get the glue to stick the paper to the screen, but I finally got the bastard on there only to have a young up start come and get it to electronically transfer from the scanner to this newsletter. He assures me that there was no smoke and mirrors (I am skeptical).

Malfunction entries are now available at [www.malfunction.com.au](http://www.malfunction.com.au) , act now before it is too late and you miss out on entering this fantastic event. (Could some one please speak to my wife she won't let me, something about her brother's wedding, I reckon I could just go to his next wedding). Remember we are chasing old Malfunction and club footage so push aside the communists under your bed and see if there is anything that might be from our/your past that might just fit the bill.

**The Last Word:** Aren't you all happy the new season is upon us so this hapless reporter can write something. So please speak loudly and clearly at my age it is getting harder to eves drop. Bring it on!
